Golf Course and Practice Facilities

The National Golf Course

Has been described as "Woburn With Sunshine". This tree-lined tight course does bear a passing resemblance to that top English course. Voted by Golf World as 39th best course in Europe. It was designed by the Irish duo of David Feherty and David Jones. Transforming heavily timbered swamp land into a rolling course where they drained the water into lakes, which influence six holes and retained most of the characteristic pine and eucalyptus trees. With the back drop of the Toros mountains this course is a fantastic test of golf. From the very long par 5 opener, followed by a par 3 to an island green Through trees and valleys to the 18th which demands an inch- perfect tee shot before an approach over water to a green in front of the often packed clubhouse terrace restaurant

The course has hosted the European Senior Tour's Turkish Open in 1996 and 1997.

The Carya Golf Course

Thomson Perrett & Lobb's Carya Golf Club in Antalya's Belek region is the first classic, heathland style golf course to be built on Turkey's Mediterranean coast.

Designed by Thomson Perrett & Lobb, the international golf course architect practice founded by five times Open Champion Peter Thomson, is a championship golf course set on undulating sand hills and cutting through mature pine and eucalyptus forest, at the heart of Turkey's golf coast.

Peter Thomson, said: "This is an exceptional piece of land on which to build a golf course. It is reminiscent of the famous Surrey heathland courses near London that I rate among the world's best and which I was fortunate to enjoy much success on in my playing days. I am very excited about the prospect of TPL creating a classic, traditional style course in Turkey."

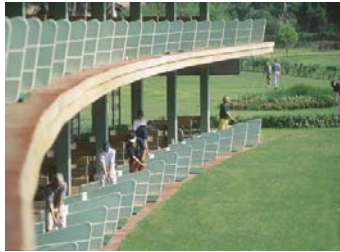

The Montgomerie Golf Course

Colin Montgomerie officially launched his latest design project on May 23rd 2006. The Montgomerie Course at Papillon Golf Club will form part of a new \$100 million golf and hotel complex. To compliment the 18 hole championship golf course there will be a flood lit 9 hole short course and a golf academy, as well as a luxury 5 star hotel and up to 40 holiday villas which will join the four existing Papillon hotels in Belek. Mustafa Nazik, President of Papillon Hotels said "We are delighted to announce the addition of The Montgomerie Course at Papillon Golf Club to our family of resorts

Practice Facilities

All three golf clubs offer specially designated practice areas that are specifically designed to offer every challenge of the game and include:

Driving Range with unlimited Practice Balls

Fairway and green side bunkers

Putting green

Chipping green

Climate

The south coast of Turkey has a typical Mediterranean climate with mild winter months and hot summer months.

The average temperature in November is around 20°C, falling to a minimum of 10°C in the evening.

Pictures recent Golf Schools

Additional Information

At the start of the Winter Golf School a more detailed schedule of the coaching programme will be provided. This is YOUR week and all that matters to us is that you enjoy it and achieve what you so wish. None of the coaching sessions are compulsory, but if you attend most of them you will gain benefit from this holistic approach to the game.

The Pine Beach Hotel is 12 minutes away from the The National Golf Course and 5 minutes from the Montgomerie and Carya Courses. Shuttle buses are provided to transport you between the hotel and course.

Tuesday 10th and Friday 13th gives you the chance to have a day off. You can spend the day however you wish. You may want to make the most of the hotel's excellent facilities or play golf at another top class golf course. This additional round of golf can be arranged on your request. We can arrange golf at one of the premier golf courses, The Sultan or Pasha on these days at additional cost, due to these courses being extremely busy we would recommend booking this in advance. Please indicate your preference on the sign up sheet overleaf.

There will be a Sweep each day for the Competition. This will be a nominal amount and collected on the day. Buggy and trolley hire should be organised by yourself direct with the resort when we arrive there. Costs for these are not inclusive of the Winter Golf School Package.

Please note that holiday insurance is not included, if you require any assistance organising this please do not hesitate to contact us.

Following our 2007 and 2008 visits, it is likely that this trip will prove very popular and we urge anyone interested to contact us at your earliest opportunity.

Payment Details

A non-refundable £200 deposit to be paid to guarantee your place. A further payment of £250 is due by the 1st May 2009 with the balance payable due by 1st September 2009.

The total price being £899 per person, based on two sharing a twin or double room, all inclusive.

Single room additional supplement is £150 per person

Please make all cheques payable to The Prestige Tour.

Cancellation Charges

As we have to pay for services up front we must inform you of the following:

Cancelling before 1st May 2009 would mean loss of your £200 deposit

Before 1st September 2009 would mean loss of your £200 deposit plus a further charge of £200

Between 1st September and departure would mean loss of your £200 deposit and a further charge of £400.
